

Talk About The Bible

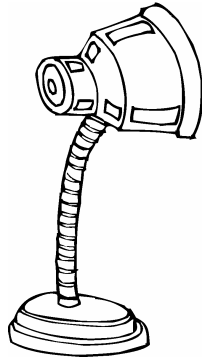

1. Christians believe the Bible is like these things:

a library

a map

a light

instructions for living

Talk about why - what do they mean?

2. Let's look at a Bible together.
What does it look like?
What do we know about it?
There are lots of stories.
Do you know the names of any characters? What did they do?
3. Christians believe these stories are special – they are about God and what He wants people to do.
Read a Bible story together and try to find it's special meaning. You might like to look at:
The Good Samaritan – Luke chapter 10 verses 25 – 37
The Lost Sheep – Luke chapter 15 verses 1 – 7
