

Communion

Task: to find out what Christians believe about communion.

1. On the computer, go to 'Do What' and choose 'Communion'.
(<http://www.request.org.uk/main/dowhat/communion/communion01.htm>)
2. Read carefully through all the sections – Anglican, Catholic, Non-Conformist.
3. Make a poster to show why communion is important to Christians. You can include photographs from the Photo Resource Centre (http://www.request.org.uk/teachers/resources/photos/photo_index.htm) or use pictures from the other worksheets. Write underneath each one what is happening.
4. Add a 'Tell Me About' picture like the one on the computer, with lift-up flaps.
