

Make a Hanging Crib Scene

	<p><u>You will need:</u> a large paper plate, a gold or silver doily, old Christmas card with scenes of the nativity, or photocopies of the nativity characters, a short piece of red ribbon or gold braid, glue, scissors, 'sticky fixers'</p>
	<p>Stick the doily onto the paper plate. You may need to make it smaller, or just decorate the edges of the plate.</p>
	<p>Cut out the pictures from the cards, or colour in the photocopied ones.</p>
	<p>Stick the pictures onto the plate one by one.</p>
	<p>Build up your scene by adding more pictures. If you use 'sticky fixers' the picture will have a raised appearance.</p>
	<p>Attach a looped length of ribbon or braid to the back of your crib scene.</p>
	<p>Hang up your crib scene.</p>
